Teacher Notes

Before students begin this information gap activity, write these questions on the board:

1. How old is _____?
2. What school does _____ go to?
3. Where does _____ live?
4. What is _____ hobby?
5. What does his/her mom do?
6. What does his/her dad do?

It's also a good idea to model how to ask and answer the questions.

Example

B: Where does John live?

A: He lives in Miami.
