How often do you eat pizza? If you are like most people, you probably eat pizza often. After all, pizza is one of the most popular foods on the planet. Why? Because there are so many different recipes, tastes, and toppings. Every place has its own style that suits the tastes of the local people. If you visit Hawaii, you can eat Hawaiian pizza (ham & pineapple); take a trip to Korea and enjoy some bulgogi pizza! *What topping is popular in your area?*

Another delicious and well-known kind of pizza is Chicago style deep-dish. What makes Chicago deep-dish so famous? A hint is in the name. This pizza is “deep.” Each pizza is over 2 inches (5+ centimeters) thick. Chicago deep-dish is packed with delicious ingredients. Unlike other styles of pizza, Chicago deep-dish puts the tomato sauce on top. The next layer has ingredients like sausage and vegetables. Finally, the cheese is all the way at the bottom! *Unique? Yes! Delicious? Oh yeah!*

One thing to remember is that Chicago deep-dish takes a long time to make! So, don't go to Pizzeria Uno (*a famous Chicago pizza restaurant*) when you're in a hurry. First, you should order an appetizer because the pizza will take about one hour to cook. But don't worry, Chicago style deep-dish pizza is worth the wait!
